Sticker Dude WALLSTARS

STICKER DUDE DESIGNS is a national company that's been in business for 19 years specializing in vehicle wraps, truck lettering, signs and banners. In 2008 STICKER DUDE WALLSTARS was added to its already acclaimed product line. All work is done in house.

STICKER DUDE WALLSTARS are life size high resolution personalized vinyl wall photographs of our kid(s) or the "kid in you" (yes we've even have done family pets) enjoying their/your favorite sport or activity. It can be that all impressive action shot (caught live or staged*), or simply that tripped out pose decked out in full gear ready to accent any wall of your favorite room. Familiar with "Fatheads™", the life size vinyl wall shots of the professional athletes, it's the same concept.

**staged poses can prove to be as good if not better than a live action shot as the background is cut away anyways)*

STICKER DUDE WALLSTARS can safely be applied to any smooth interior wall, removed, stored or reapplied to another wall over and over again. (Also available for permanent outdoor applications).

REQUIREMENTS - Hey kids, photo quality is KEY! We need a high resolution digital image of at least 4 mega pixels (2048 x 1536), 10 mega pixel is preferred. Just remember, the larger the print the greater the need for higher resolution...so it goes to say "garbage in, garbage out"! Just get us your best digital image and our graphic artists will inspect for quality.

ORDERING - E-mail us the digital image with order form information or mail order form with digital image on cd disk.

ALSO AVAILABLE school/team logos for walls, tables, desk tops or any hard smooth surfaces; team banners and automobile window stickers.
